T. S. RAGHAVACHAR,
Executive Engineer.

MYSORE IRON WORKS, BHADRAVATI.

Dated 6th August 1921.

Notice is hereby given that tenders will be received at the Office of the Executive Engineer, Mysore Iron Works, Bhadravati, up to the 31st August 1921 for the supply of petrol, mobile oil and greece for the use of the Motor Lorry at Bhadravati. An approximate list of quantities is enclosed. These quantities are not guaranteed. The supply should be made so as to reach this office before the 5th of every month.

2. Tenders should be submitted showing the rates at which the different items specified will be supplied.

3. Each tender must be accompanied by a deposit of Rs. 50 in cash or in Government Promissory Notes, as earnest money, and be superscribed "Tenders for supplying Petrol, Mobile oil and greece for the use of the Government Motor Lorry at Bhadravati" in default of which, tenders will be rejected.

4. The final acceptance of any tender will rest with the Executive Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

6. The successful competitor's name whose tender has been accepted, will be posted on the notice board of the Executive Engineer's Office in due course.

7. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders the earnest money of the rejected tenders will be returned.

9. The parties must be prepared to supply only one item, more than one item, or all the items completely.

Description of articles.	Quantity required monthly.
Petrol	100 gallons.
Mobile oil	10 "
Greece	10 lbs.

These should be supplied monthly for 3 months, *i.e.*, September, October and November 1921.

Y. ASVATHANARAYANA RAO,
Executive Engineer.
